NOTES ON PLUSH PRICES

- Prices shown are the base price: meaning, it is the cost for the simplest and easiest type of item for that size. Prices will increase depending on the complexity of your idea.
- Some full custom types (e.g., the "Mini Me"), have an automatically higher base price and/or size.
- Smaller sizes marked with a star (*) are not available for some designs or ideas due to complexity.
- Eyes and other small details are embroidered on all of my art plushes, unless requested otherwise. Larger areas will be sewn.
- These are not the only types and sizes available! please reach out for more options.

FURSUIT QUOTES

Free Quotes

- Free quotes are great for getting a price estimate to save up.
- Consist of a quick sketch of part(s) requested, along with a rough estimate of the price. Pricing should be within \$200 of the final price.
- This type of quote is not mandatory for a commission slot.

\$5 Quotes

- A \$5 quote is mandatory for a fursuit/ear project to begin
- These consist of a lined or lineless fully-colored drawing of the part(s) requested.
- In this quote type, FBT will search up specific color fabrics and accessories, as well as spend more time on accurate pricing.

NOTES ON FURSUIT PRICES

General

- Base Prices shown account for 1 color simple shaped commissions. Each additional color will be 25 USD. Complexity fees vary.
- If you need your suit by a certain date, please let FBT know in advance the hard deadline.
- Fully paid off suits will take priority over partial payments.
- The “Common Add-ons” section is not all of the items FBT can do. Please ask if you have something in mind, no matter how crazy!

Heads

- Fursuit heads made by Fablebound Thicket are fully lined; generally with black athletic fabric. You may request another color.
- All fursuit heads are currently made from 3-D Printed TPU, meaning they are still squishy. All head shapes are designed by FBT.

Tails

- Tails longer than short are priced with the “super motion” engineering in the total. Your tail will be able to “wag” due to a foam base instead of stuffing.
- Extra long tails will not touch the floor unless requested. If tails touch the floor, the wagger motion is eliminated automatically. Therefore, floor-dragger tails will be stuffed.

Paws

- FBT is able to do both 4- and 5-finger paw patterns. Please ask if you have something specific in mind.
- FBT is willing to experiment with unique shapes and ideas, so please feel free to ask!

Feetpaws/Sockpaws/Armsleeves

- These items are currently being offered at a discount due to my little experience. However, FBT will not list them unless we are comfortable making them. Enjoy the sale while it lasts!

OTHER COMMISSIONED ITEMS

NOTES ON OTHER ITEMS

General

- Some Items that FBT offers on commission that are not included in the above categories are:
 - Custom embroidered patches
 - Bags
 - Clothing
 - Embroidered Items
 - Classes (High Point, NC)
- FBT will be expanding reach, especially in clothing commissions, if there is interest.
- FBT is open to making almost any sewn item, so just ask!
- Prices range on each of these items greatly, so please message or email FBT for more accurate pricing.
